

ARMADA JAMS

Wednesdays @ 7pm Memorial Park

2017 Concert Schedule

At the corner of Fulton and Prospect Streets in the Village of Armada

- June 14 **Armada High School Chorale** – This auditioned group from the high school will perform highlights from their spring concert, “The Evolution of Music” as well as a few of their favorite patriotic pieces in honor of Flag Day.
- June 21 **W.E. and the Oobops** – A new-comer to the local music scene, these high school seniors play a rich variety of jazz mixing all styles and tempos with a nice and breezy sound. Plenty of music to shake your fingers to.
- June 28 **Red Herring** - This is southeast Michigan’s up and coming young rock band with an impressive history already. They play the classics from the 60s and 70s with the added heart of a new generation and they’re not even out of high school yet.
- July 5 **Uncle Sam Jam and Potluck in the Park.** Hot dogs, condiments, water and set-ups provided – bring a dish to pass and enjoy an extended Independence Day holiday listening to an **Elvis Tribute with Darrin Hagel & The Burning Love Band.**
- July 12 **2 Days Gone** – Local talent performing a wide spectrum of classic rock, pop, modern rock, and even a little twist of Americana for good measure. Always a good show.
- July 19 **The Dynasty** – This band brings music from the 50s, 60s, 70s and 80s and about 50 years of experience! They play everything from the Beatles, Paul Revere and the Raiders and lots of one hit wonders you’ll love to remember. Guaranteed to bring back many fond memories and provide lots of music to sing along to.
- July 26 **Wayward Wind** – Long-standing favorite rock and roll band with a full repertoire of classic and soft rock with a lot of Beatles tunes sprinkled in. A perennial favorite based in Romeo for the last 40 years.
- August 2 **Freeport** - Great cover band with a playlist that includes a lot of everything. This is the only band that has ever got the crowd dancing! It was a polka and there were a lot of dancers. We’re glad they’re back in the line up this year.
- August 9 **Soggy Bottom Folks** – Local favorites who pack the park with their good time rock and roll and folk songs. With Armada Business Association’s Feel Good Event this has become a traditional end of season party with free food and trinkets for all.

Please help us keep Prospect Street traffic clear and free-flowing by parking only on the north side of Prospect street or at the park. Beyond that, there is plenty of parking at the school administration building located one block east at 74500 Burk Street.

Come early and picnic in the park!
